LB 104A, 312, 312A, 335, 337, 426, 784  
LR 107

back to the Haberman amendment. Is there anybody objecting to passing over the bill at this time? May I see your hand if there is any objection. Without that, you have unanimous consent to pass over the bill at this time and we'll pass over the bill at this time. Senator Haberman.

SENATOR HABERMAN: Point of order, Mr. President.

PRESIDENT: Yes, sir.

SENATOR HABERMAN: If and when we take up the bill again, where are we going to start, on my amendment?

PRESIDENT: Yes, your amendment to the Conway amendment was where we will start.

SENATOR HABERMAN: That will be fine. Then I'll go along with passing over.

PRESIDENT: Okay. There is no objection and we are passing over the bill at this time. Mr. Clerk, do you have anything to put in at this time?

CLERK: Yes, Mr. President, I do. Mr. President, some items for the record, LR 107 by Senator Coordsen. (Read introduction to LR 107 as found on page 1999.)

LB 104A, 312, 312A are reported correctly engrossed.

LB 426 is reported to Select File, Mr. President, and that is all that I have.

And, Mr. President, Senator Hall would like to print amendments to 784 in the Journal. (See pages 1999-2001 of the Legislative Journal.)

PRESIDENT: Move on then to LB 337. Mr. Clerk, where do we stand?

CLERK: Mr. President, 337 has been considered on Select File. Enrollment and Review amendments were adopted on April 21. On that date Senators Johnson and Moore moved to indefinitely postpone the bill. The bill was laid over at the agreement of the introducer. That motion is now presently before the Legislature.
